

Got the **winter blahs?** Think **beach!** Think **banana belt!**

Think **July 11, 12 & 13 in St. Thomas, Ontario.**

(We're just 1 degree lat. N. of Crescent City, California)

Thanks to the generous contributions of our prime sponsors, Nav. Canada and Marsh Canada Limited, our 2008 Convention planning is on track.

***It will be warm.
It may be humid.
It will be fun!***

Our sustaining sponsors have made it possible for us to set up an entertaining schedule of events with something for everyone.

Seminars...We've got'em!
Fly-outs...We've planned one!
Entertainment...We have it!
Food...no worries! (*ask anyone who has attended a Flight 75 event*)

Want to be on "**Wings Over Canada**"...we're on it!

From the moment you arrive at our hospitality tent for a FREE burger and beverage (*if you are pre-registered*), we will do our best to make this a memorable weekend. The first 65 hotel rooms are blocked off at \$70.00 per night. Pre-registered delegates will have a chance to WIN a David Clark headset, a ride in Tony Swains' old bird 'Bessie', a FREE ELT certification including new batteries and other goodies to be announced later.

*And don't forget to visit
...the beach in Port Stanley*

Our sustaining sponsors have made it possible for us to invite **Brian Udell** as our after banquet speaker. If you ever thought you had it rough, check out Brian's awesome bio. **A great opportunity to hear this modest and inspiring hero visiting us from Arizona.**
