LIGHTSPEED ADVENTURE FLIGHT BAG – THE DUKE

You'll be ready to grab and go when the mission calls – just like the RAF fighter pilot and writer for which this purpose-designed backpack is named, Neville Frederick Duke.

This Second World War British test pilot and fighter ace chronicled his experiences in a multitude of writings. His bold career and lifestyle were the inspiration for Lightspeed to create the Duke, the leather backpack addition to Adventure Flight Bag collection.

There's plenty of space to pack your adventure essentials in this handmade black leather backpack featuring gusseted pockets on both sides – one with a security clasp for radio with transceiver, and one for a water bottle.

The elegant top stitching is a trademark of the Adventure Flight Bag collection, as is the PVC bottom to help protect the bottom of the pack on muddy, dusty, grassy ramps. There are no metal feet to ensure the wing of your aircraft is protected as you load in for your next flight.
