FLIGHT OUTFITTERS AIRFOIL JACKET

The Flight Outfitters Airfoil jacket keeps you warm without the bulk. Engineered for comfort in cooler conditions, it's the packable adventure layer you've been searching for.

Weighing in at 1.3 lbs, the jacket is lighter than most sweatshirts but is rugged enough for your next backwoods mission. It's insulated and quilted for extra comfort, and features a water-repellent coating that shrugs off light rain and snow. This versatile jacket can be worn with inner or outer layers and combines classic aesthetics with technical features.

The Airfoil jacket is designed to pack down into its own pocket when not in use, making it your go-anywhere layer.
